Millennial Precious Metals Corp. Commences Trading on the OTCQB Venture Market in the United States

Toronto, Ontario, Canada – November 30, 2021 – Millennial Precious Metals Corp. (TSXV:MPM) (OTCQB:MLPMF) ("Millennial" or the "Company") is pleased to announce that it has qualified for trading on the OTCQB Venture Market (the "OTCQB") in the United States operated by the OTC Markets Group Inc. and the Company's common shares commenced trading today on the OTCQB under the symbol "MLPMF". Millennial's common shares will continue to trade on the TSX Venture Exchange under the symbol "MPM".

Jason Kosec, President, CEO & Director of Millennial stated, "we are very excited to have Millennial's shares commence trading on the OTCQB. Since the formation of Millennial earlier this year, the Company has seen considerable interest from both U.S. based institutional and retail investors. Listing Millennial's shares on the OTCQB will significantly increase our visibility and trading volume in the U.S. We look forward to engaging a broader audience of investors as we continue to advance our high quality assets located in Nevada and Arizona."

The OTCQB offers investors transparent trading in entrepreneurial and development stage U.S. and international companies. To be eligible, companies must be current in their reporting and undergo an annual verification and management certification process. The OTCQB quality standards provide a strong baseline of transparency, as well as the technology and regulation to improve the information and trading experience for investors. Investors can find real-time level 2 quotes and market information at: <https://www.otcmartets.com/stock/MLPMF/overview>

The Company is awaiting approval of its application for DTC eligibility. Nauth LPC acted as OTCQB sponsor.

CAUTION REGARDING FORWARD LOOKING STATEMENTS

Certain statements in this news release are forward-looking statements, which reflect the expectations of management regarding the business development objectives and plans of Millennial.

Forward-looking information contained in this news release are based on certain factors and assumptions. While Millennial considers these assumptions to be reasonable based on information currently available to it, they may prove to be incorrect. Forward looking information involves known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by the forward-looking information. Such factors include risks inherent in the exploration and development of mineral deposits, including risks relating to changes in project parameters as plans continue to be redefined, risks relating to variations in grade or recovery rates, risks relating to changes in mineral prices and the worldwide demand for and supply of minerals, risks related to increased competition and current global financial conditions, access and supply risks, reliance on key personnel, operational risks, regulatory risks, including risks relating to the acquisition of the necessary licenses and permits, financing, capitalization and liquidity risks, title and environmental risks and risks relating to health pandemics and the outbreak of communicable diseases, such as the current outbreak of the novel coronavirus, COVID-19.

Further, these forward-looking statements reflect management's current views and are based on certain expectations, estimates and assumptions which may prove to be incorrect. A number

of risks and uncertainties could cause the Company's actual results to differ materially from those expressed or implied by the forward-looking statements, including: (1) a downturn in general economic conditions in North America and internationally, (2) the inherent uncertainties and speculative nature associated with mineral exploration, (3) a decreased demand for precious metals, (4) any number of events or causes which may delay exploration and development of the property interests, such as environmental liabilities, weather, mechanical failures, safety concerns and labour problems, (5) the risk that the Company does not execute its business plan, (6) inability to finance operations and growth, (7) inability to obtain all necessary permitting and financing, and (8) other factors beyond the Company's control. These forward-looking statements are made as of the date of this news release and Millennial does not assume an obligation to update these forward looking statements, or to update the reasons why actual results differed from those projected in the forward-looking statements, except in accordance with applicable securities laws.
